

Diamonds on the Inside

Ben Harper

Verse:

A Bm C#m/Bm A

I knew a girl
Her name was truth
She was a horrible liar

She couldn't spend
One day alone
But she couldn't be satisfied

When you have
Everything
You have everything to lose

She made herself
A bed of nails
And she's plannin' on puttin'
it to use

Chorus:

G D A -

'Cause she had diamonds
on the inside
She had diamonds on the
inside
She had diamonds on the
inside

Verse:

A candle throws its light
Into the darkness
In a nasty world, so shines
the good deed

Make sure the fortune
That you seek
Is the fortune you need

So tell me why
The first to ask
Is the last to give, every
time

What you say
And do not mean
Follow too close behind

Chorus:

Verse:

Like a soldier long
Standing under fire
Any change comes as a relief

Let the giver's name
Remain unspoken
For she is just a generous
thief

Chorus
