

I Knew It I Knew You

©2026 Taylor Swift, Jack Antonoff

Verse 1

C Fadd9

I knew you, Through the daze of the

blades of the grass in summer

Fadd9

Para-chutes for the free fall of being younger

Em F G

I, memor-ised the sound of your barefoot

C
steps

Bb

Am

Running wild, it's been a long time

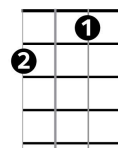

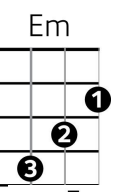

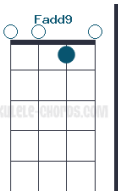

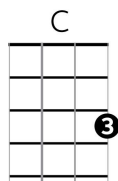

A7

Life has ways of leaving those days

Dm
behind

G

But seeing you tonight, I remembered

Chorus

C
I loved you, came back when it mattered

Fadd9

I saw you

C
Standing there in the light of the window
wearing that same smile

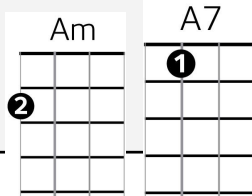

Fadd9

Man, it's been a while, But I knew it, I

C
knew ya (ha knew you)

Fadd9

..I knew it, I knew ya

Verse 2

C Fadd9

I knew you, All your blues like a mood

C
ring changing colours

Fadd9

You did too, There were times we could fight
like brothers

Em F G

I watched you drive around the bend for

C

Bb

What I thought would be the last time I

Am

saw my friend. But love has ways of

A7

Dm

bringing things back to life

G

All you said was, "Hi" and I remembered ..

Chorus then repeat below 2 times

C Fadd9

I knew it, I knew you (BV: I-knew-you)

Ending with a build of Em F G

Bridge

C

Bb

Am

All the rivers I cried when we said goodbye

A7

Dm

Wondering if I'd made it up in my mind

G

But now you look me in the eye,

Chorus 2

C G Dm
And you told me I loved you, Came back

Am

when it mattered, I saw you, standing

G

F

there in the light of the window wearing th
same smile,

Dm

Yeah, it's been a while, oh-oh

Repeat this bit twice

F

Em

Wearing that same smile

Dm

Man, it's been a while

Ending (repeat)

C

Fadd9

(But) I knew it, I knew you

(ooh ha knew you)

Thanks for the suggestion Owen. September 2026
